RELEASE OF INFORMATION

I hereby request a record check be made to find any police record on the herein named individual and by submitting this request, I understand that the submitted information will be retained by the West Virginia State Police in the Automated Fingerprint Identification System.

I certify that this is for official business and I am authorizing the West Virginia Lottery to obtain any record found.

Applicant Notification and Record Challenge: Your fingerprints will be used to check the criminal history records of the FBI. You have the opportunity to complete or challenge the accuracy of the information contained in the FBI identification record. The procedure for obtaining a change, correction, or updating an FBI identification record are set forth in Title 28, CFR, 16.34.

Privacy Act Notice: Disclosure of your social security number should only be made if obtained from you in accordance with Section 7 of the Privacy Act of 1974. Your disclosure is voluntary and failure to provide the number will not subject you to penalty. If you choose voluntarily to supply your social security number, it will be used to aid the West Virginia Lottery in the conduct of this criminal background inquiry.

**PRIVACY NOTICE
USAGE OF SOCIAL SECURITY NUMBERS**

This form is included to notify you of our privacy practices and no action is required on your part.

With the exception of Lottery Commissioners, Lottery officers or Lottery employees, the West Virginia Lottery will only ask you for your social security number in the following circumstances:

1. You claim a lottery prize of \$600 or more directly from the Lottery, either by mail or personally at our Charleston or Weirton office. Your social security number is also your tax identification number, and the Internal Revenue Code requires that this prize payment be reported to the IRS along with the winner's tax identification number [Form **W-2G**]¹
2. You are a sole proprietor of a business, a partner in a business, or the shareholder of an incorporated business that is a lottery retailer or sales agent, and the Lottery must prepare an IRS [Form **1099**] to report sales commissions received by you along with a tax identification number if that number is also a social security number [Form **1099**]; or
3. You are applying for a lottery license or permit and you must allow the Lottery to capture your fingerprint images to be transported to the FBI's National Criminal Information Center [**NCIC**] for criminal background investigation required by statutory or regulatory authority. This is an FBI requirement; or
4. You have applied for a lottery license or permit and you have been asked to send copies of one or more years of your federal income tax returns in order to determine your credit worthiness for a table games license.²

Disclosure of your social security number should only be made if obtained from you in accordance with Section 7 of the Privacy Act of 1974. Your disclosure is voluntary and failure to provide the number will not subject you to a criminal or civil penalty.

When the West Virginia Lottery obtains your social security number, it will use the number for the purpose(s) cited above. The Lottery will not sell or share this number with any other person or entity, and will decline to make it available in response to any freedom of information request. Only government entities that are authorized to receive and use social security numbers by law will gain access, other than when outside access is ordered by a competent court of record.

If you have any questions or concerns about this privacy notice, or if you wish to submit a complaint regarding the Lottery's privacy policy, please contact the Legal Division at (304) 558-0500 ext. 255.

¹ Prize winners of more than \$600 who are unable or unwilling to submit their tax identification number are subject to federal income tax "back-up" withholding of 28% of the prize money.

² Either after the license is issued to the applicant, or else after the applicant has exhausted all appeals, the returns will be taken from the application file and shredded.
