## THE HOLIDAYS ARE UPON US! AND WE HAVE A TELEVISION SPOT FOR IT!

The West Virginia Lottery will be promoting our three seasonal games RED & GREEN MACHINE, CASHING THROUGH THE SNOW, and SANTA PAWS this season.

Ads will run November 16th through December 25th.

We also will be supporting these games with social media and digital media.

**Be sure to have these games on hand as we work to drive business to you!**

## CONFIRM - WHEN THEY COME IN. ACTIVATE - BEFORE SALES BEGIN.

The current accounting and billing terms more accurately show the inventory you have on-hand, and help us more accurately predict what you will need in the coming weeks. The inventory process has a couple of steps, but it adds extra security and lessens financial risk for you. Here are the "LEVEL UP" points for a game:

**CONFIRMED:** Confirm orders as soon as your tickets arrive. **Remember, this is not a financial status.** The pack is still the property of the Lottery. Select INSTANT FUNCTIONS > Select ORDER CONFIRMATION > Scan the invoice (manifest) slip barcode that came with your order, or manually enter the barcode number.

**ACTIVATED:** Activate each pack when you put it out for sale. **THIS IS A FINANCIAL TRANSACTION.** The pack is then your property, and will settle 21 days from this date. Packs must be ACTIVATED to be validated. Select INSTANT FUNCTIONS > Select ACTIVATE PACK(S) > Scan the long barcode on any ticket of that pack, or manually enter the barcode number.

**SETTLED:** This is when you are billed for the pack and comes due in that weeks INVOICE.

**RETURNED:** This is when a full or partial pack of tickets is returned to the Lottery. **NO MONEY IS BILLED OR CREDITED FOR PACKS UNLESS THEY ARE ACTIVATED OR SETTLED!** Full packs in ISSUED or CONFIRMED status are changed to a RETURNED status, are no longer part of your inventory, and no money is billed or credited for these packs. Full packs in SETTLED are changed to RETURNED status and your location will receive credit for the amount of tickets returned minus commission. Partial packs in ACTIVATED status are first SETTLED, then the remaining tickets within a pack are changed to a RETURNED status and your location will receive credit for the tickets amount minus commission.

**Following these simple steps will help us monitor and drive your business to new heights!**
