LOTTO AMERICA – JUST A FEW MORE DAYS UNTIL A NEW DAY!

Another play day! Lotto America® is adding another draw night starting Monday July 18, 2022. To add to the excitement and create faster growing jackpots, Lotto America will draw 3 days a week… every MONDAY, Wednesday, and Saturday. Just like Powerball®!

The Lottery began a “stepdown” process on April 16 to limit the number of future draws available for purchase to make this change. Terminal messages are being sent throughout the process. Players will be able to purchase up to 12 weeks again (36 draws when the day is added) beginning Sunday, July 17.

CREDIT CARD PURCHASES PERMITTED STARTING JULY 1!

Recent Legislative Rule 179CSR1 changes that take effect on July 1, 2022 now permit credit card purchases. There is a credit card limit established to promote responsible gaming. The rule allowing credit is:

4.5.d.2.J. Licensed lottery sales agents and retailers may sell lottery tickets on a credit basis by accepting only a bank issued credit or debit card for the purchase thereof. Licensed lottery sales agents and retailers may establish a minimum amount for a debit or credit card transaction but in no event can a single transaction for the purchase of lottery tickets exceed $200.00.

Of course, cash and check are still permitted. Transactions should be easier and now you have less stress by not having to worry about debit vs. credit or checking for cash during a typical lottery transaction!

- Transaction fees paid by you.
- You do not have to accept credit cards.
- If you require a minimum purchase or fee amount, please post clearly for your customers.
- Be sure to process transactions BEFORE you hit yes and print lottery tickets on your terminal.

$30 INSTANT TICKET IS COMING SOON!

A new instant ticket price point is coming July 1! WV will officially have a $30 instant ticket in our product mix and it will be in ALL planograms and available for all locations. We are so excited about this one, it even gets its own launch day. Regular instant tickets for July will launch on their normal day, June 28. The new $30 SUPREME CASH-GOLDEN will launch July 1. The pack will contain 20 tickets and retailer cost will be $558. We will be supporting this launch with digital advertising. Be sure to have this new game and price point in your bins for eager customers that have been asking for it!

REMINDER THAT INSTANT TICKET PACK SIZE CHANGING

The Lottery determined that adjusting pack sizes to make loading bins a little less often and moving the one-dollar games a bit faster was needed to help you, our retailer.
